

ELECTRO HYDRAULIC BODY LIFTING TROLLEY

Model : EBT-2
(without built in digital weighing scale)

Model : EBT-3
(with built in digital weighing scale)

HICO Electro Hydraulic Body Lifting Trolley is for transferring of cadavers to and from HICO Mortuary Refrigerators. The fingertip control Electro Hydraulic Body Lifting Trolley means that the entire operation can be handled by an attendant in an easy efficient and faster manner. A built in digital weighing scale is provided for record purpose as an optional feature.
